

The logo for AlphaCom, featuring the word "alphacom" in a stylized, lowercase, cursive script font. A horizontal line is drawn underneath the letters "com". A registered trademark symbol (®) is located to the upper right of the word.

User Guide  
*Office 500*  
Monaural Headset

Noise Cancelling  
Office Headsets  
for your business

**Thank you** for purchasing the  
*alphacom*<sup>®</sup> Office 500 Monaural Headset,  
part of the high quality range of headsets  
and accessories from the Alphacom range.

Your headset is fully guaranteed for two  
years from the date of purchase.

## Installation

To connect your *alphacom*<sup>®</sup> headset simply insert the clear plug at the end of the headset cable into your phone.

## In-Line Connector

By disconnecting the In-Line Connector you are able to place the call on hold whilst you move away from the phone, simply reconnecting the connector will allow you to continue on with the call.

## In-Line Mute

Push and hold the button on the In-Line connector to mute the call, release the button to resume two way conversation.

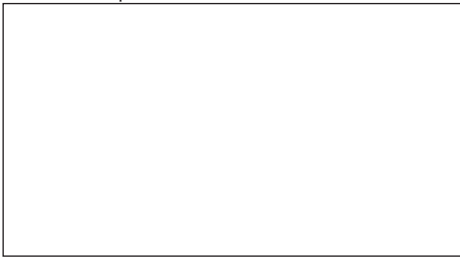

## Helpful tips

For the best audio results, always position the noise cancelling microphone approximately 20mm away from the corner of your mouth. Don't forget to attach the clothing clip to your clothing so reducing the weight of the headset cord on the headband.
